BOARD-GOVERNED SPECIAL DISTRICTS EXEMPT COMPENSATION PLAN

ARTICLE 1: INTRODUCTION

Consistent with applicable laws, the following sections represent the salary and benefit program, established by the Board of Supervisors for Board-Governed Special District and County Service Areas (hereinafter referred to as "District") employees included within the Special Districts Exempt Group. The Exempt Compensation Plan shall in no manner be interpreted as a guaranteed or implied contract between the Districts and any employee or group of employees. The *Personnel Rules for Board-Governed Special Districts* also apply to District Exempt employees unless specifically excluded within rule provisions.

ARTICLE 2: BENEFITS

Section 1: Benefit Plan

Benefit Plan Contributions

- A. Employees in a regular position scheduled for a minimum of forty (40) hours per pay period are eligible to receive the benefits of this Section in the amounts described below. Employees must be paid for at least one-half plus one hour of their scheduled hours in order to receive the benefits of the subsection. For instance, an employee scheduled to work eighty (80) hours per pay period must be paid at least forty-one (41) hours to be eligible for the benefits of this Section.
- B. Except as provided in the Health and Dental Insurance Section, the biweekly amount of the District provided Benefit Plan for Exempt group employees shall be as follows:

Effective Date	Scheduled for 40 to 60 hours	Scheduled for 61 to 80 hours
July 12, 2003	\$105	\$210
July 10, 2004	\$115	\$230

- C. Under no circumstances will the monetary value of the Benefit Plan be prorated.
- D. Employees who are on an approved medical leave of absence and whose paid hours in a pay period are less than the required number of hours designated in subsection (A) will continue to receive the benefits of this subsection for up to six (6) pay periods per episode of illness or injury. Employees who are on an approved Worker's Compensation claim shall receive the benefits of this subsection for up to twenty (20) pay periods while off work due to that work injury. Employees who are integrating paid leave time with either Short Term Disability (STD) insurance or Long Term Disability (LTD) insurance provided by the District shall receive the benefits of this subsection under the following circumstances: upon election of full integration of disability payments and paid leave time, employees who are paid less than one-half plus one of their scheduled hours but have available leave balances of one-half plus one of their scheduled hours or more shall receive the benefits of this subsection. Employees who are on an approved leave of absence without pay under the Family Medical Leave Act of 1993 will continue to receive the Benefit Plan dollars for up to six (6) pay periods. Employees who are on a leave of absence without pay shall not be eligible to receive the monetary benefits of this Section unless on a medical leave or a Family Medical Leave Act eligible leave.

Section 2: Contributions to Salary Savings Plan

Biweekly contributions of Exempt employees to the County's Section 401 (k) Salary Savings Plan up to three percent (3%) of an employee's biweekly base salary will be matched by a District contribution on the basis of two (2) times the employee's contribution. The District contribution shall not exceed six percent (6%) of an employee's biweekly base salary.

Section 3: Dependent Care Assistance Plan (DCAP)

The purpose of this Section 125 Dependent Care Assistance Plan (DCAP) is to permit eligible employees to make an election to pay for certain dependent care expenses with salary reduction from compensation contributed to the Plan before federal income or social security taxes are paid to the Internal Revenue Service ("Salary Reduction") in accordance with Sections 125 and 129 of the Internal Revenue Code of 1986 (IRC) and regulations issued pursuant thereto. DCAP shall be construed to comply with said Code Sections and to meet the requirements of any other applicable provisions of law. DCAP exclusions from gross income do not affect compensation for retirement purposes.

DCAP will be administered by the County's Human Resources Department, Human Resources Division Chief, Employee Benefits & Services consistent with said IRC Sections.

- A. To be eligible for this benefit, an employee must be in a regular position and be scheduled and paid for a minimum of forty-one (41) hours per pay period or be on an approved leave designated as Family Medical Leave Act. To be eligible for this benefit, an employee must be in a regular position and be scheduled for a minimum of forty (40) hours per pay period and be paid for a minimum of one half plus one of the scheduled hours, or be on an approved leave designated as Family Medical Leave Act.
- B. Enrollment in the Plan is limited to the annual open enrollment period or within thirty (30) calendar days of entry into an eligible position. Failure to submit participation agreement within the time frame shall result in an election to not participate in the Plan.

Enrollment is required every Plan Year. An employee must elect to contribute to DCAP through salary reduction on forms approved by the Human Resources Division Chief, Employee Benefits & Services. An employee election to participate shall be irrevocable for the remainder of the plan year. Once a salary reduction has begun, in no event will changes in elections be permitted during the Plan Year except to the extent permitted under Internal Revenue Service rulings and regulations and with the County's Plan Document. Examples of mid-year "Change in Status" events include: marriage, divorce, birth, adoption, death, overage dependent, loss of student status, the employee's or employee's spouse's reduction in work hours, loss of spouse's employment, significant increase or decrease in the cost of child care, and spouse's or dependent's enrollment in a similar plan. The employee must submit a request for a change due to a mid-year Change in Status event within thirty (30) days of the qualifying event. The Human Resources Employee Benefits and Services Division Chief, or his/her designee, will authorize changes as long as the change is made on account of or consistent with an employee's Change in Status Event.

Section 4: Flexible Spending Account (FSA) for Health Related Expenses

The District has established a Flexible Spending Account (FSA) for Exempt Group employees in regular positions who are regularly scheduled to work forty-one (41) hours or more a pay period. The Health Expense FSA is established in accordance with the provisions of Section 125 of the Internal Revenue Code (IRC). The Human Resources Division Chief, Employee Benefits and Services, will serve as the Plan's Administrator. The Health Expense FSA Plan Year will coincide with the County's Benefit Plan Year.

Employees who choose to participate in the Health Expense FSA must complete and submit enrollment forms in accordance with procedures developed by the Plan's Administrator. Eligible employees will be notified of these procedures at least thirty (30) days prior to the beginning of each plan year.

Eligible employees may contribute, on a pre-tax basis, a minimum of ten dollars (\$10.00) and a maximum of twenty-five dollars (\$25.00) per biweekly pay period to a flexible spending account. The District will contribute ten dollars (\$10.00) per biweekly pay period to the flexible spending account for each employee who contributes between ten dollars (\$10.00) and twenty-five dollars (\$25.00) each biweekly pay period.

Upon enrolling in the Plan, employees may not change their designated biweekly contribution amount or discontinue making contributions for the remainder of the plan year (until on or about June 30) unless they incur an eligible family status change as defined in Section 125 of the IRC. Section 125 also requires that any amounts remaining in an employee's account at the end of the plan year must be forfeited. The County will use any forfeited amounts to help defray the Plan's administrative expenses.

Contributions made to the Health Expense FSA may be used for receiving non-taxable reimbursements of eligible medical and dental expenses not covered by insurance. Eligible reimbursable expenses are those medical and dental expenses that qualify as medical expenses under the Internal Revenue Code. Examples of eligible reimbursable expenses are listed in the Health Expense FSA Summary Plan Description available from departmental payroll clerks and the Employee Benefits and Services Division of County Human Resources.

Section 5: Health and Dental Insurance

All eligible employees scheduled to work forty (40) hours or more per pay period in a regular position must enroll in a health and dental plan offered by the District. Employees who fail to elect health and dental plan coverage will be automatically enrolled in the health and dental plan with the lowest biweekly premium rates available in the geographical location of the employee's primary residence.

To be eligible for District health and dental plan coverage, an employee must be in a regular position scheduled for a minimum of 40 hours and have received pay for at least one half plus one hour of scheduled hours or be on an approved leave pursuant to the Family Medical Leave Act (FMLA).

Enrollment elections must remain in effect for the remainder of the Plan Year unless an employee becomes ineligible for an HMO network service area.

Eligible employees may elect to enroll dependents upon initial eligibility for health and dental insurance. Thereafter, newly eligible dependents may be enrolled within thirty (30) days of obtaining dependent status, such as birth, adoption or marriage.

Notification of a mid-year qualifying event must be submitted to the Human Resources Employee Benefits and Services Division in accordance with procedures adopted by the County. Employees are responsible for notifying the Human Resources Employee Benefits and Services Division Chief or designee within thirty (30) days of dependent's change in eligibility for the District plans.

Dependent(s) must be removed mid-plan year when a dependent(s) becomes ineligible for coverage under the insurance plan eligibility rules, for example, divorce, overage dependent, or gain of coverage on spouse's employer-provided insurance.

Premiums for coverage will be automatically deducted from the employee's pay warrant. Failure to pay premiums will result in loss of coverage for the employee and/or their dependents.

Employees eligible for health plan coverage who are also enrolled in a comparable group health plan sponsored by another employer may elect to discontinue enrollment in District-sponsored health plan (Opt-Out).

Employees who elect to Opt-Out of District – sponsored health plan coverage will forfeit the biweekly Benefit Plan amounts specified and will instead receive the following biweekly Benefit Plan amount: Employees scheduled for 61 to 80 hours per pay period shall receive one hundred sixty-one dollars and fifty-four cents (\$161.54) per pay period. Employees scheduled for 40 to 60 hours per pay period shall receive eighty dollars and seventy-seven cents (\$80.77) per pay period. To receive this Benefit Plan amount, the employee must be paid for a minimum of one-half plus one of his or her scheduled hours. For instance, an employee scheduled to work 80 hours must be paid for a minimum of 41 hours.

Employees eligible for dental plan coverage who are also enrolled in a comparable group dental plan sponsored by another employer may elect to discontinue enrollment in the District-sponsored dental plan.

The rules and procedures for electing to Opt-Out of District-sponsored health and dental plan coverage are established and administered by the County Human Resources Employee Benefits and Services Division.

- A. Employees may elect to Opt-Out of District health and/or dental plan(s) within thirty (30) calendar days of becoming eligible for another employer-sponsored group plan. Verification of coverage is not initially necessary as it will be required during the next annual open enrollment period.
- B. Employees may elect to Opt-Out of District health and/or dental plan(s) during an annual open enrollment period. All employees electing Opt-Out during an annual open enrollment period for reasons other than initial gain of another employer-sponsored group plan must provide verification of other group plan coverage.
- C. After initial Opt-Out, employees must re-elect the Opt-Out benefit and provide verification of continued coverage each year during subsequent open enrollment periods.

- D. An employee who elects Opt-Out for dental plan coverage may not re-enroll in a District-sponsored dental plan for a minimum of two (2) years unless the employee involuntarily loses coverage from the other employer-sponsored group dental plan. Employees who elect to enroll in District dental coverage, for reasons other than involuntary loss of another group sponsored dental plan coverage, may enroll during the open enrollment following completion of the two-year dental Opt-Out restriction. NOTE: a voluntary loss of other group dental insurance may result in a break in dental coverage until the two-year (2-year) mandatory Opt-Out period is complete.
- E. Employees who voluntarily or involuntarily lose other group health plan coverage must enroll in a District-sponsored health plan within thirty (30) calendar days. Enrollment in the District-sponsored plan will be provided in accordance with the requirements of the applicable plan. If the employee elects not to enroll eligible dependents, the dependents may only be added at a subsequent annual open enrollment period.
- F. There must be no break in the employee's health plan coverage between the termination date of the other employer group coverage and enrollment in a District health plan. Terms and conditions of the applicable plan will determine the required retroactive enrollment period and premiums required to implement coverage. Failure to notify the District of loss of group coverage within thirty (30) calendar days will require the employee to pay insurance premiums retroactively on an after-tax basis.

An eligible employee whose spouse is also an eligible District/County employee may elect coverage as dependent on his or her spouse's, or, if the employee is age eighteen (18) or younger, on parent's District/County health and/or dental insurance plan in lieu of individual employee coverage. This is called a "waiver" to District/County spouse's or parents District/County insurance coverage. Such election must be made within thirty (30) calendar days of the employee's, District/County parent's or the District/County spouse's eligibility for County health and dental insurance. During the Plan Year, an employee is responsible for notifying the County within thirty (30) days of ineligibility for the waiver; for example, the dependent child turns nineteen (19) or the spouse leaves District/County employment. Changes will become effective on the first day of the pay period following the receipt and approval of all appropriate documentation. Loss of the spouse's or parent's District/County plan coverage will require the employee to immediately enroll in the County's health and dental plans. Waivers may be changed during any subsequent annual health and dental open enrollment period.

The County will establish a Dental Subsidy Fund (Fund) in the amount of \$1,250,000. Effective pay period 16/01, employees who are participating in the lowest-cost dental plan (eligible, enrolled and paying premiums) will receive a premium subsidy of \$3.34 per pay period. The premium subsidy will continue until the Fund and any interest earned have been exhausted.

For employees assigned to work in the Needles, Trona, Baker and Ridgecrest work locations, the County will establish a "Needles Subsidy." The Needles Subsidy will be paid by the employee's Department and will be equal to the amount of the premium difference between the indemnity health plan offered in these specific work locations and

the lowest cost health plan provided by the County. This Subsidy will be established each year when premiums change for the County-sponsored health plans. The Subsidy will be discontinued when the lowest cost health plan becomes available to the employees.

Premiums for coverage will be automatically deducted from the employee's pay warrant. Under no circumstances will insurance premiums be prorated.

Section 6: Insurance Programs

- A. Term Life Insurance. Subject to carrier requirements, the District will pay the premium for a term life insurance policy, the amount of which is based on the eligible employee's scheduled hours. Employees scheduled from 40 to 60 hours per pay period shall receive \$25,000 in coverage. An employee scheduled from 61 to 80 hours shall receive \$50,000 in coverage. Life Insurance will become effective on the first day of the pay period following the employee's first pay period in which the employee is paid for one-half plus one of their scheduled hours. For example, an employee scheduled for eighty (80) hours must be paid for a minimum of forty-one (41) hours. In accordance with procedures established by the Human Resources Division Chief, Employee Benefits and Services, eligible employees may purchase, through payroll deductions, term life insurance in amounts equivalent to one (1), two (2), or three (3) times the employees' annual gross earnings.
- B. Variable Universal Life Insurance. Effective upon Board of Supervisors approval, eligible employees may purchase, through payroll deductions, variable universal life insurance in amounts equivalent to one (1) time, two (2) times, or three (3) times the employees' annual salary. Employees who purchase variable universal life insurance shall be provided a District contribution towards the biweekly premium based on the following table:
- Benefit Group A = 50% of the premium for the one-time annual salary.*
Benefit Group B = 25% of the premium for the one-time annual salary.
- C. Accidental Death and Dismemberment Insurance. Employees in the Exempt Group may purchase amounts of Accidental Death and Dismemberment Insurance coverage for themselves and dependents through payroll deduction.
- D. Psychological Services. Subject to carrier requirements, the District will pay the premium for a prepaid psychological services program for employees and their eligible dependents.
- E. Disability Insurance. The District will provide Exempt employees with long-term disability insurance subject to carrier requirements and approval. The benefit levels for such insurance shall be those approved by the County's Director of Human Resources.
- F. Short-Term Disability Insurance. The District will provide an employer paid Short-Term Disability Insurance Plan for Exempt employees. This benefit shall apply to Exempt employees in regular positions who are regularly scheduled to work forty-one (41) or more hours per pay period. The Short-Term Disability Insurance Plan benefit coverage shall be governed by the Plan Document that has been approved and adopted by the Board of Supervisors for Exempt employees. Benefit payments terminate when the employee is no longer disabled, or upon termination of employment from the District, or after receiving ninety (90) days of benefits at which time the employee would be eligible for long term disability benefits if still medically disabled after ninety (90) days.
- G. Vision Care Insurance. Subject to carrier requirements, the District will pay the premiums for vision care insurance for employees and their dependents.

Note: All persons eligible for the foregoing programs of insurance will be covered on the date the insurance becomes effective, or in the case of any employee absent because of illness on the date the insurance becomes effective, the insurance will commence on the date of return to work.

Section 7: Retirement Medical Trust Fund

Retirement Medical Trust Fund. A Retirement Medical Trust Fund has been established for Exempt Group employees with ten (10) or more years of participation in the San Bernardino County Employees' Retirement Association (SBCERA) who retire with a service retirement, and elected officials. Participation in other public sector retirement systems may also be counted towards the ten-year requirement provided that the employee has not withdrawn their contributions from the system(s) and the employee is also a participant in SBCERA. Employees who wish to receive credit for participation in other public retirement systems must provide the Plan Administrator written evidence of participation and that contributions made to the system(s) have not been withdrawn.

The Trust is administered by a Board of Trustees, who manages resources of the Trust and who determines applicable administrative fees for managing the Trust Fund. The Trustees will ensure that payments of qualified medical expenses incurred by retirees or their eligible dependents will be appropriately reimbursed. The Trust will establish individual accounts for each participant, which will be credited with interest earnings/losses, based on the investment performance of the participant's individual account. As determined appropriate by the Trustees, the Trust Fund provides a selection of investment options for participants. All of the contributions to the Trust Fund will be treated for tax purposes as employer, non-elective contributions resulting in tax-free contributions and earnings for the participant and tax-free contributions for the District. All of the distributions from the Trust Fund made to retirees or their eligible dependents for the reimbursement of qualified medical expenses as defined by the Internal Revenue Codes (including medical insurance payments) will also be non-taxable to the retiree or the retiree's eligible dependent(s). The District will contribute one-half of one percent (.5%) of an eligible employee's biweekly salary to the Trust.

At retirement, all eligible employees will be required to contribute the cash value of their unused sick leave balances to the Trust, in accordance with the conditions described below.

AMOUNT OF REMAINING SICK LEAVE HOURS	CASH VALUE FORMULA
001 TO 399 HOURS	40%
400 TO 600 HOURS	50%
601 TO 800 HOURS	60%
801 TO 1400 HOURS	75%

Employees retiring from the District with a disability retirement are not eligible to contribute the cash value of their unused sick leave balances to the Trust. Those employees will be compensated for their unused sick leave pursuant to this plan.

The Trust Fund is a Voluntary Employees Benefit Association (VEBA) and will comply with all of the provisions of Section 501(c)(9) of the Internal Revenue Code.

- B. District Contributions. For all employees the District will pick up a portion of the employee's required contribution to the San Bernardino County Employee's Retirement Association (SBCERA) in the amount of seven percent (7%) of the employee's earnable compensation as defined in the SBCERA bylaws.

The percentages specified shall apply to the employee's earnable compensation as defined in the SBCERA bylaws. The employee must be continuously employed by the District and have participated in the County's Retirement System for the stated length of time. Additionally, exempt employees shall receive the following amounts biweekly to be applied under this section: Group A employees, one hundred twenty-nine dollars and twenty-three cents (\$129.23) per biweekly pay period; Group B employees, eighty-three dollars and eight cents (\$83.08) per biweekly pay period.

The employee must choose to have the contributions designated as all employer or all employee contributions for retirement purposes. If the employee designates the pick up as employer contributions, then for each dollar applied, the employee's retirement obligation shall be satisfied in the amount of the actuarial value of that dollar to the retirement Association as determined by the Board of Retirement, and the employee may not withdraw this contribution from the Retirement Association.

If the employee designates the pickup as employee contributions, then for each dollar applied, the employee's retirement obligation shall be satisfied in the amount of one dollar

(\$1.00) and upon separation without retirement, an employee may withdraw this contribution from the Retirement Association. Upon retirement or separation, all contributions applied under this section will be considered for tax purposes as employer-paid contributions.

If the employee does not file a designation, the contributions shall be made as employee contributions. Employees receiving Retirement System contributions under the Benefit Plan in effect prior to the effective date of this section shall continue to have contributions under this section applied (as employer or employee contributions for retirement purposes) in the same manner as previously applied for the employee until a revised designation is made by the employee.

Any dollars which are remaining after all Retirement System obligations are fully satisfied shall be paid to the employee in taxable cash.

- C. Remaining Employee Contributions. Any employee retirement system contribution obligations, which are not paid by the application of Section (B) above, shall be "picked up" for tax purposes only pursuant to this section. The Auditor/Controller-Recorder shall implement the pickup of such retirement system contribution under Internal Revenue Code Section 414(H)(2) effective with the earnings paid and contributions made on and after the effective date of August 12, 1989.

The District shall make member contributions under this section on behalf of the employee which shall be in lieu of the employee's contributions, and such contributions shall be treated as employer contributions for purposes of reporting and wage withholding under the Internal Revenue Code and the Revenue and Taxation Code. The amounts picked up under this section shall be recouped through offsets against the salary of each employee for whom the District picks up member contributions. These offsets are akin to a reduction in salary and shall be made solely for purposes of income tax reporting and withholding. The member contributions picked up by the District under this section shall be treated as compensation paid to District employees for all other purposes. District paid employer contributions to the County's Retirement System under

this section shall be paid from the same source of funds as used in paying the salaries of the affected employees. No employee shall have the option to receive the Retirement System contribution amounts directly instead of having them paid to the County Retirement System.

Until retirement or separation, all contributions picked up under this section will be considered for tax purposes as employer-paid contributions. Contributions under this section shall be applied (as all employer or all employee contributions with the same value and restrictions) for Retirement System purposes in the same manner as the contributions under Section (B) above.

- D. Special Provisions. Employees who have thirty (30) years of service credit and no longer make retirement contributions under the provisions of the County Employees' Retirement Law of 1937 shall be paid in cash seven percent (7%) of earnable compensation as defined by the bylaws of the Retirement Board as well as the monthly dollar amount allocation to their group under Section (B) above.

Employees who are over age sixty (60) at time of hire, and who are in a regular position, and who choose not to be a member of the Retirement Association, shall be enrolled in the County's 401(k) Salary Savings Plan. The District shall pay six percent (6%) of the

employee's biweekly salary to the Plan, and the employee shall contribute a minimum of three percent (3%) of biweekly salary to the Plan, not to exceed the annual limits of the Plan as defined in the Internal Revenue Code. As these employees are not participating in the Retirement Association, they shall not be eligible for the County pickup of seven percent (7%) of earnable compensation. Exception: Those employees hired prior to July 1, 1996, and who have been receiving the seven percent (7%) pickup shall continue to receive the pickup as long as they remain an eligible Exempt Group employee. Eligible employees who waive participation in the County's Retirement System shall be eligible to receive the biweekly amounts applied under Section (B) above for their group of employees.

- E. Survivor Benefits. Survivor Benefits are payable to employed general retirement members with at least eighteen (18) months continuous retirement membership pursuant to Section 31855.12 of the County Employees Retirement Law of 1937. An equal, non-refundable employer and employee biweekly contribution will be paid to SBCERA as provided in the annual actuarial study.

Section 9: Retirement Formula 3% at 50

- A. Special Provisions for Exempt Safety Employees. The following subsection shall apply to all members of the exempt group who are safety members of the San Bernardino County Employees Retirement Association, as defined in Government Code section 31469.3:
 - 1. Effective October 1, 2003, the District shall adopt a resolution making Government Code section 31664.1 applicable to safety members of the San Bernardino County Employees Retirement Association. The District shall also adopt a resolution pursuant to Government Code section 31678.2, applying the formula set forth in Government Code section 31664.1 applicable to all prior safety service credit for every eligible employee under this subsection.

2. Effective October 1, 2003 employees eligible under this subsection shall be required to pay an additional 2.5% of compensation earnable each pay period into the retirement system, above and beyond the employee contribution rates established by the Board of Retirement.

Section 10: Section 125 Premium Conversion Plan

- A. Eligible employees shall be provided with a Section 125 Premium Conversion Plan. The purpose of the Plan is to provide employees a choice between paying premiums with either pre-tax salary reductions or after-tax payroll deductions for health insurance, dental insurance, voluntary life (to the IRS specified limit) and accidental death and dismemberment insurance premiums currently maintained for Exempt employees. The amount of the pre-tax salary reduction or after-tax payroll deduction must be equal to the required insurance premium.
- B. Benefit Plan elections shall not reduce earnable compensation for purposes of calculating benefits or contributions for the San Bernardino County Employees' Retirement Association.
- C. To be eligible for this benefit, an employee must be in a regular position and be regularly scheduled to work at least forty (40) hours in a pay period or be on an approved leave pursuant to the Family Medical Leave Act.
- D. Election of pre-tax and after-tax payroll deductions shall be made within thirty (30) days of the initial eligibility period in a manner and on such forms designated by the Human Resources Employee Benefits and Services Division Chief. Failure to timely submit appropriate paperwork will result in after-tax deductions for all eligible premiums for the remainder of the Plan Year.
- E. Once a salary reduction has begun, in no event will changes in elections be permitted during the Plan Year except to the extent permitted under Internal Revenue Service rulings and regulations and with the County's Plan Document. Examples of mid-year qualifying events include: marriage, divorce, birth, adoption, death, overage dependent, loss of student status, the employee or employee's spouse's reduction in work hours, loss of spouse's employment, gain or loss of spouse's insurance, relocation outside an HMO network service area, entitlement to Medicare for the employee or employee's dependent, significant increase in County insurance cost during the plan year, loss of Medi-cal or Medicaid coverage and spouse's or dependent's open enrollment. The employee must submit request for a change due to a mid-year qualifying event within thirty (30) days of the qualifying event. Changes will be authorized by the Human Resources Employee Benefits and Services Division Chief, or his/her designee, as long as the change is made on account of, or consistent with, an employee's change in status.

ARTICLE 3: COMPENSATION

Section 1: Across-the-Board Salary Adjustments

Employees shall receive pay increases of three percent (3%) effective July 12, 2003, and three percent (3%) effective July 10, 2004. The pay increases shall be applied to the base salaries and rates for all classifications (see Appendix A).

Section 2: Assignment to Vacant Higher Position

Employees directed to continuously perform duties in a vacant higher level regular position, for

which funds have been appropriated, shall be entitled to a salary rate increase to the higher level for the time actually worked in excess of eighty (80) hours, unless specifically waived by the employee; provided, however:

- A. The District/Division Manager certifies to the Appointing Authority, or designee, in writing at the time of appointment that the employee meets minimum qualifications and is assigned and held responsible to fully perform all of the duties normally associated with the higher level position without limitation as to difficulty or complexity of assignments or consequence of action and that the employee shall be required to meet standards for satisfactory performance normally required at the higher level position; and
- B. A written request for a salary rate increase to the higher level is directed to the Appointing Authority for Special Districts/County Fire Department or designee for approval; such increase to the higher level shall be determined as if the assignment had been a promotion.

It shall be the responsibility of the District Manager to initiate such requests and to provide a copy of such request to the employee. Written requests may also be made by the employee through the District Manager in the same manner. Requests for a salary rate increase should be initiated during the first thirty (30) calendar days of such assignment. Requests for retroactive payment of a salary rate increase must be filed as soon as possible, but not later than one (1) calendar year after assignment of the higher level duties and must be approved by the Human Resources Division Manager. Failure to meet this time limitation shall waive any and all rights to retroactive pay.

The duration of such assignments to vacant higher positions shall not usually exceed one (1) calendar year. Appointments to regular positions of trainees or underfills are exempt from the provisions of this section. Further, this section does not apply to a situation in which no vacant higher level position exists for which funds have been appropriated. Addition of duties of a higher level classification to any employee's regular position shall be governed by the section on Special Assignment Compensation, or the Personnel Rule on Classification, as appropriate. For purposes of this section, a vacant position is defined as an authorized regular position for which funds have been appropriated and which may be: (a) An unoccupied position due to attrition and for which the appointment process has been initiated; (b) a position from which the incumbent is on extended leave of absence; or (c) a new position authorized by the Board of Supervisors for which the appointment process has been initiated.

Variable entrance steps may be established if justified by recruitment needs and the qualifications of the new employee, to the extent they exceed the minimums of the position to which appointed, through Step 5 with the approval of the Appointing Authority and through Step 11 with the approval of the Manager of Human Resources, Special Districts Department.

Within the base salary range, all step advancements will be made at the beginning of the pay period in which the employee completes the required number of service hours. Approval for advancement shall be based upon completion of required length of service hours in the classification, satisfactory work performance, and Appointing Authority recommendation.

Completed service hours shall be defined as regularly scheduled hours in a paid status, up to 80 hours per pay period. Overtime hours and time without pay shall not count toward step advancements. Step advancements within a base salary range shall be based upon two (2) step increments. The employee shall be eligible for the first step advancement after completion of 1040 hours and subsequent step advancements after completion of additional increments of 2080 hours.

- B. Special Provisions. The Human Resources Division Manager, or designee, may authorize the adjustment of the salary step or salary rate of an employee to maintain salary equity within the system, to prevent undue hardship or unfairness due to the application of any rule or policy, or to correct any salary inequity. The Human Resources Division Manager or designee may authorize the adjustment of the salary step or salary rate of any employee to correct any payroll error or omission, including any such action, which may have arisen in any prior fiscal year.

Section 9: Special Assignment Compensation

Increases in pay may be granted to recognize the temporary assignment of additional responsibilities that are significant in nature and beyond the normal scope of the position. No award shall be made in any situation related to vacation, short-term illness or other relief which is six (6) weeks or less. The duration of such assignments are not intended to exceed one (1) calendar year except in unusual circumstances approved by both the Appointing Authority and the Human Resources Division Manager, or designee. Employees will normally not be in a probationary status. The employee shall be required to meet standards for satisfactory performance.

Compensation shall be awarded in pay period increments, and shall be in the form of a specified percentage of the employee's base pay. The Appointing Authority or designee will determine the amount in increments of one-half percent ($\frac{1}{2}\%$) from a minimum of two and one-half percent ($2\frac{1}{2}\%$) up to a maximum of seven and one-half percent ($7\frac{1}{2}\%$). The additional compensation will be computed at the specified percentage of the current base pay of the employee for each pay period. Such increases in pay shall not effect an employee's step advancement in the base range pursuant to the Salary Rates and Step Advancements section.

Requests for Special Assignment Compensation may be initiated by the Appointing Authority or an employee via the Appointing Authority. The Appointing Authority and the employee bear mutual responsibility for initiating the compensation request in a timely manner and adhering to the compensation provisions defined in this provision. It is important to obtain Human Resources Division Manager review of the request in advance of the date the employee begins the assignment, since there is no guarantee the request will be approved. Special Assignment Compensation is to be effective only with the Human Resources Division Manager's written approval, assignment of greater level duties, and signed acceptance of the employee.

This provision shall not be utilized to circumvent or provide additional compensation over and above that which may be provided in "Classification" and "Assignment to Vacant Higher Position." These aforementioned provisions are mutually exclusive concepts and as such there shall be no dual or multiple requests based on the same facts.

ARTICLE 4: EMPLOYMENT PROVISIONS

Section 1: Access to Personnel Records

Personnel records are confidential and access to personnel records of the employees shall be limited to the Human Resources Division Manager, SDD/County Fire, the Appointing Authority for Special Districts/County Fire Department, the Board of Supervisors, or their authorized representatives. Employees currently employed by the District and/or their representatives, designated by the employee in writing, will be allowed to review the employee's personnel records during regular business hours.

Employees desiring to review such records shall make such request in writing at least twenty-four (24) hours in advance to their District Manager or Human Resources as appropriate.

Section 2: Classification

Classification is a management tool to ensure the accurate reflection of tasks and duties involved in each Exempt position. Whenever positions are subject to any change as a result of classification review, and are allocated within the Special Districts Exempt Group, any Board of Supervisors' action shall be made on the recommendation of the Appointing Authority for Special Districts/County Fire Department. Any request to review a classification action shall be submitted to the Human Resources Division Manager, SDD/County Fire who shall have the final and binding authority in the review process determination. Positions allocated to the Special Districts Exempt Group shall not be subject to any classification appeal procedure. Classification adjustments (upgrades and downgrades) are implemented in accordance with the Personnel Rules of the Board Governed Districts.

Section 3: Classification Adjustments

- A. **Upgrade.** An upgrade is the reclassification of a position from one classification to another classification having a higher base salary range. Whenever an incumbent employee is upgraded as a result of such reclassification, pursuant to the Special Districts Personnel Rules, such employee's step placement in the new salary range shall be governed by the section on Promotions.
- B. **Downgrade.** A downgrade is the reclassification of a position from one classification to another classification having a lower base salary range. When a position is downgraded, the Human Resources Division Manager, SDD/County Fire, may authorize continuation of the same salary rate payment to the incumbent employee that the employee received prior to the downgrading of the position by placing the employee on an "X" step, provided that the employee shall receive no future salary rate increases until the salary rate of the position held exceeds the "X" step.

Section 4: Conditions of Employment

Special District Exempt Group employees serve at the pleasure of the Appointing Authority for Special Districts/County Fire Department. Should an employee's position be abolished, the District will make reasonable efforts to place the employee in a comparable District position based upon the employee's skills, knowledge and abilities, as well as consideration for the employee's length of

service with the District. If reasonable efforts to place an Exempt employee in a comparable District position are unsuccessful, the employee shall be subject to layoff by written notification by the Appointing Authority for Special Districts/County Fire Department, which notification shall be given at least ten (10) working days prior to the effective date of the layoff. An Exempt employee does not have any bumping rights to other District/County positions, whether previously held or not.

Section 5: Demotions

A demotion is the appointment of an employee from an incumbent position to a position in a different classification for which the maximum rate of pay is lower. An employee demoted for disciplinary reasons shall be placed on the step within the base salary range of the class to which demoted as provided in the Order of Demotion.

An employee demoted for non-disciplinary reasons shall be retained at the same salary rate, provided that the salary rate does not exceed step 11 of the salary range in accordance with the provisions of the Classification Adjustment Section, with the approval of the Appointing Authority for Special Districts/County Fire Department and the Human Resources Division Manager.

Section 8: Hours of Work

Employees shall be required to work during such hours as necessary to carry out the duties of their position, as designated by the Appointing Authority for Special Districts/County Fire Department, and such hours may be varied so long as the work requirements and efficient operations of the District are assured.

The nature of FLSA Exempt employment for District classifications is such that intermittent, occasional overtime is needed to fulfill the responsibilities and requirements of the position. Usually, additional time and effort are proportionate to the importance and level of the responsible position. These factors of time and effort are incorporated when the compensation level of FLSA Exempt positions are established. In those instances where a position's work extends well beyond the normal hours of employment, the County Administrative Officer may authorize additional compensation in the form of cash payment or compensating time off, generally on a pre-approved and pre-scheduled basis. Circumstances for such compensation would include implementation of the intent of a Board of Supervisors approved program or emergency response.

Section 9: Job Share

The District will make reasonable accommodation for employees who express a request in writing to share their positions with other qualified employees or eligible persons. Jobs may be shared on an hourly or daily basis, with benefits provided by the District prorated to the extent practicable.

Reimbursement at this rate shall be considered as full and complete payment for actual necessary expenses for the use of the private automobile, insurance, maintenance and all other transportation related costs. Claims for lodging and meals, which do not exceed the allowances listed below, do not require receipts.
2. The allowance for lodging is seventy-five dollars (\$75) plus tax, per night, single.

ARTICLE 6: LEAVE PROVISIONS

Employees in the Special Districts Exempt Group shall apply available paid leave time whenever a leave of absence is approved. However, employees who are on an approved leave of absence for less than one full day, who do not have sufficient leave time available to cover the absence, shall be paid the full salary for their regular work day in accordance with legal requirements.

Section 1: Administrative Leave

Effective pay period 1 of each year, an employee in a regular position will be provided with eighty (80) hours of Administrative Leave time for the employee's use. Employees hired after the beginning of Pay Period 1 shall receive a prorated number of hours. Such Administrative Leave may be cashed out at the employee's then current base rate of pay in increments of one (1) hour upon the approval of the Appointing Authority, during the calendar year. Any Administrative Leave accrual balances in effect at the end of the last pay period paid in the calendar year will automatically be paid at employees' then current base rate of pay. Employees may designate that cash-outs of Administrative Leave be allocated to the County's 401 (k) Plan or Section 457 Deferred Compensation Plan. Upon termination of employment, unused Administrative Leave will be paid at the current rate of pay.

Section 2: Bereavement Leave

Employees in regular positions may use up to two (2) days paid leave, not charged to the employee's personal leave balances, per occurrence for bereavement due to the death of the employee's parent, child, spouse or domestic partner, as defined by California Family Code section 297.

Section 3: Blood Donations

Employees in regular positions, who donate blood without receiving compensation for such donation, may have up to two (2) hours off with pay with prior approval of the immediate supervisor for each such donation. This benefit shall not be charged to any accumulated leave; provided, however, if the employee is unable to work, any time in excess of two (2) hours may be charged to accumulated sick leave or be taken as leave without pay. Evidence of each donation must be presented to the Appointing Authority to receive this benefit.

Employees in regular positions who are aphaeresis donors may have up to four (4) hours off with pay with prior approval of the immediate supervisor for each such donation, provided no compensation is received for such donation. This benefit shall not be charged to any accumulated leave; provided, however, if the employee is unable to work any time in excess of four (4) hours may be charged to accumulated sick leave or be taken as leave without pay. Evidence of each aphaeresis donation must be presented to the Appointing Authority to receive this benefit.

Section 4: Compulsory Leave

If, in the opinion of the Appointing Authority, employees are unable to perform the duties of their position for physical or psychological reasons, an examination may be required by a physician or other competent authority designated by the Human Resources Division Manager. If the examination report shows the employee to be in an unfit condition to perform the duties required of

the position, the Appointing Authority shall have the right to compel such employee to take sufficient leave of absence with or without pay, to transfer to another position without reduction in compensation, and/or follow a prescribed treatment regimen until medically qualified to return to unrestricted duty.

Section 5: Examination Time

Examination Time. Employees having regular status in regular positions at the time of application shall be entitled to a reasonable amount of time off with pay for the purpose of attending all examination processes required for selection to a different District/County position. Employees are responsible for notifying and obtaining approval from their immediate supervisor prior to taking such leave. Examination time off shall not be charged against any accumulated leave balances and shall be compensated at the employee's base hourly rate. Employees having probationary status, including those who have previously held regular status in another classification, are not entitled to examination time off with pay.

Section 6: Holiday Leave

- A. Fixed Holidays. All Exempt employees in regular positions shall be entitled to the following holidays:

January 1	November 11
Third Monday in January	Thanksgiving Day
Third Monday in February	Day after Thanksgiving
Last Monday in May	December 24
July 4	December 25
First Monday in September	December 31
Second Monday in October	

- B. Floating Holidays. Employees in regular positions shall be entitled to a total of eight (8) hours floating holiday time provided that the employee is not on unpaid leave for the entire pay period and is actively on the payroll for the pay period where the floating holiday is accrued. Eight (8) hours floating holiday time shall be accrued during the first pay period prior to the third Monday in January.

Floating holidays accrued shall be available for use on the first day following the pay period in which they are accrued, with the approval of the Appointing Authority or designee. The Appointing Authority or designee has the right to schedule employees' time off for accrued holidays to meet the needs of the service but with consideration given to the well being of the employee. Employees in regular positions budgeted less than eighty (80) hours per pay period or job-shared positions shall receive floating holiday accruals on a pro-rata basis.

Any request for sick leave in conjunction with a fixed holiday must be supported by a doctor's certificate, if requested by the Appointing Authority or designee.

When a fixed holiday falls within a vacation period, the holiday time shall not be charged against an employee's earned vacation benefits.

Whenever an employee is required to work on a fixed holiday or the fixed holiday falls on an employee's regularly scheduled day off, the employee shall accrue, on an hour-for-hour basis, up to a total of eight (8) hours floating holiday time.

When a fixed holiday falls on a Saturday, the previous Friday will be observed as the fixed holiday except that when the preceding Friday is also a fixed holiday, the preceding Thursday will be observed as the fixed holiday. When a fixed holiday falls on a Sunday, the following Monday will be observed as the fixed holiday except that when the following Monday is also a fixed holiday, the following Tuesday will be observed as the fixed holiday.

Upon retirement or termination, employees shall be compensated for any unused accrued holiday time at the then current base rate equivalency.

An employee may sell back holiday time at the base hourly rate of the employee as hereinafter provided, upon approval of the District Manager. Eligible employees may exercise this option under procedures established by the Human Resources Division Manager, SDD/County Fire. In lieu of cash, the employee may designate that part or all of the value of holiday time to be sold back is allocated to a deferred income plan if such a plan is approved by the District and credit for holiday time is allowed under the plan.

In order to sell back holiday time prior to termination or retirement, an employee may exercise the following options:

1. Option 1 - Future Accruals. An employee must make an irrevocable election during the month of December, specifying the number of hours to be sold back from the next calendar year's holiday time accrual. Such election must be made in increments of not less than eight (8) hours and may not exceed the annual amount to be accrued for the next calendar year. Once an election is made, the employee must request that the designated number of hours actually be sold back by Pay Period 25 of the calendar year in which the election is effective, or the hours will automatically be converted into cash in Pay Period 26.
2. Option 2 - Existing Accruals. Existing accruals may be cashed out in whole hour increments with a minimum cash-out of eight (8) hours and will be subject to a ten percent (10%) penalty.

Section 7: Jury Duty Leave

Employees in regular positions who are ordered/summoned to serve jury duty including Federal Grand Jury duty shall be entitled to base pay for those hours of absence from work, provided the employee waives fees for service, other than mileage. Such employees will further be required to deliver a "Jury Duty Certification" form at the end of the required jury duty to verify such service. When practicable, the Appointing Authority will convert an employee's regular tour of duty to a day shift tour of duty during the period of jury duty. Employees required to serve on a jury must report to work before and after jury duty provided there is an opportunity for at least one (1) hour of actual work time. Employees volunteering to serve on a Grand Jury duty shall be granted a leave of absence without pay to perform the duties of a member of the Grand Jury in the same manner as provided in section, "Special Leaves of Absence without Pay."

Section 8: Leave Accruals While on Disability Leave

Employees receiving the benefits of workers' compensation or short-term disability leave receive partial replacement of their income through these benefits. Employees on these types of disability leaves may choose to fully integrate, partially integrate, or not integrate personal leave time with these disability payments.

The maximum amount the employee receives from integrating leave time with disability payments shall not exceed 100% of the employee's base salary. Paid personal leave time coded on the employee's time and labor report will be limited to the amount of leave necessary to integrate benefits to the level designated by the employee. When the exact amount is not known, a good faith estimate may be made and the amount will be adjusted later as necessary. If any overpayments are made, the employee will be required to repay that amount. An employee who knowingly receives payment in excess of his or her regular base salary is required to report it to his or her Departmental payroll clerk.

Employees who are fully integrating accrued leave time with disability benefits and have at least forty-one (41) hours of any type of leave time accrued as of the prior pay period shall be eligible to receive full accruals of vacation and sick leave. Employees who are not fully integrating or employees who have less than forty-one (41) hours of any type of leave time accrued shall earn pro-rated vacation and sick leave accruals based upon paid leave time coded on the time and labor report only.

Employees who are fully integrating paid leave time with disability benefit(s) will be eligible for fixed holiday pay provided that they are on the payroll for the entire pay period, have no unapproved leave for the pay period and have enough leave accrued to equal at least one-half (1/2) of the employee's normal scheduled hours. Employees who are partially integrating or not integrating paid leave time with disability benefits will be paid for holidays in accordance with the holiday leave provisions.

Section 9: Medical Emergency Leave

The particulars of the Medical Emergency Leave policy are as follows:

- A. The employee must have regular status with the District or one (1) year of continuous service in a regular position with the District.
- B. The employee must meet all of the following criteria before he or she becomes eligible for Medical Emergency Leave donation: (1) Be on an approved medical leave of absence for at least thirty (30) calendar days (160 working hours) exclusive of an absence due to a work related injury/illness; (2) Submit a doctor's off work order verifying the medical

requirement to be off work for a minimum of thirty (30) calendar days (160 working hours); (3) Have exhausted all available leave balances; (4) Have also recorded at least eighty (80) hours of sick leave without pay.

- C. An employee is not eligible for Medical Emergency Leave if he or she is receiving workers' compensations benefits. An employee eligible for state disability insurance and/or Short Term Disability must agree to integrate these benefits with Medical Emergency Leave.
- D. Vacation, holiday or administrative leave, as well as compensatory time, may be donated by employees only on a voluntary and confidential basis, in increments of eight (8) hours, not to exceed a total of fifty percent (50%) of an employee's annual vacation, holiday, administrative leave or compensatory time accrual per employee. The donation may be made for a specific employee on the time frames established by the County Human Resources Department. The employee (donee) receiving the Medical Emergency Leave will be taxed accordingly.
- E. The donation is to be for the employee's Medical Emergency Leave only; the donation to one employee is limited to a total of one thousand forty (1,040) hours per fiscal year.
- F. The definition of Medical Emergency Leave is an approved Leave of Absence due to a verifiable, long term illness or injury, either physical or mental impairment. Job and/or personal stress (not the result of a diagnosed mental disorder) is specifically excluded for receipt by the employee of Medical Emergency Leave. A statement from the employee's treating physician, subject to review by the Center for Employee Health and Wellness or medical designee, is required.
- G. The employee on an approved Medical Leave of Absence who is receiving Medical Emergency Leave can continue to receive the Benefit Plan per the forty-one (41) hours per pay period requirement of the Benefit Plan Provision. An employee receiving leave under this program is not eligible for receipt of any accruals such as vacation, holiday, December closure, administrative leave, annual leave, sick leave or retirement credit.
- H. Donor hours shall be contributed at the donor's hourly base salary rate and be converted to the donee's hourly base salary, exclusive in both instances of overtime, differentials and the like as the singular purpose of this program is to provide financial assistance.
- I. Any donated time unused by the employee for the medical emergency shall remain in the donee's accruals to be utilized as follows:
 - 1. An employee who resigns while on Medical Emergency Leave, or the beneficiary of an employee who dies while on Medical Emergency Leave, shall be paid at one hundred percent (100%) of his/her base hourly rate of pay for all unused Medical Emergency Leave at time of resignation or death in accordance with payroll procedures established by the County Auditor/Controller.
 - 2. An employee on Medical Emergency Leave who has received the approval of his/her physician and the Center for Employee Health and Wellness to return to full time work shall have all unused Medical Emergency Leave converted to an equal amount of sick leave which will be available to the employee according to the applicable Sick Leave Article of the Memorandum of Understanding.
 - 3. An employee on Medical Emergency Leave who has received the approval of his/her physician and the Center for Employee Health and Wellness to return to

work on a part time basis (less than the employee's normally scheduled hours of work per pay period) may record a combined total of work time and Medical Emergency Leave not to exceed each pay period the lesser of eighty (80) hours or the employee's normally scheduled hours of work.

- J. The donation shall be administered on a specific basis where so designated with instances charged to the Medical Emergency Leave donation for the actual administrative costs.
- K. Solicitation of donors shall be regulated by the Human Resources Department, names of donors are to be confidential, the privacy rights of the donee upheld per legal requirements.
- L. All donors and donees shall sign release forms designed, retained and effected by the Human Resources Department.

Section 10: Military Leave

As provided in the California Military and Veterans Code Section 395 et seq., and any amendment thereto, and the federal Uniformed Services Employment and Reemployment Rights Act of 1994, a District employee, regular, extra-help, or recurrent may be entitled to the following rights concerning military leave:

- A. Definition. Military leave is defined as the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training (weekend drills), full-time National Guard duty, and a period for which an employee is absent for the purpose of an examination to determine the fitness of the person to perform any such duty.
- B. Notice and Orders. All employees shall provide advance notice of military service unless military necessity prevents the giving of notice or the giving of notice is impossible or unreasonable. Where available, copy of military orders must accompany the request for leave.
- C. Temporary Active Duty. Any employee who is a member of the reserve corps of the Armed Forces, National Guard, or Naval Militia shall be entitled to temporary military leave of absence for the purpose of active military training provided that the period of ordered duty does not exceed one hundred eighty (180) calendar days, including time involved in going to and returning from such duty. While on paid status, an employee on temporary military leave shall receive the same vacation, holiday, and sick leave, step advances and benefits that would have been enjoyed had the employee not been absent, providing such employee has been employed by the District for at least one (1) year immediately prior to the date such leave begins. In determining the one (1) year employment requirement, all time spent in recognized military service, active or temporary, shall be counted. An exception to the above is that an uncompleted probationary period must be completed upon return to the job. Any employee meeting the above one (1) year employment requirement shall be entitled to receive their regular salary or compensation, pursuant to Section (E) of this Article.
- D. Full-Time Active Duty employees who resign from their positions to serve in the Armed Forces for more than one hundred eighty (180) days, shall have a right to return to their former classification upon serving written notice to the Appointing Authority, no later than ninety (90) days after completion of such service. Returning employees are subject to a physical/psychological examination.

Should such employee's former classification have been abolished, then the employee shall be entitled to a classification of comparable functions, duties, and compensation if such classification exists, or to a comparable vacant position for which the employee is qualified.

The right to return to former classification shall include the right to be restored to such civil service status as the employee would have if the employee had not so resigned; and no other person shall acquire civil service status in the same position so as to deprive such employee of this right to restoration.

Eligible employees are also entitled to the reemployment and benefit rights as further described in the Uniformed Services and Employment and Reemployment Rights Act, 38 U.S.C. Sections 4301-4333. Specifically, a returning employee will receive restoration of original hire and benefit date, salary step, vacation accrual rate, sick leave balance (unless the employee has received payment for unused sick leave in accordance with provisions contained herein), the retirement plan contribution rate and retirement system contributions (provided the employee complies with any requirements established by the Retirement Board). However, such employee will not have accrued vacation, sick leave, or other benefit while absent from District employment, except as provided in the temporary duty provision.

- E. Compensation. This provision does not include an employee's attendance for inactive duty, commonly referred to as weekend reserve meetings or drills. Employees must use their own time to attend such meetings. Should the meetings unavoidably conflict with an employee's regular working hours, the employee is required to use vacation or holiday leave, leave without pay, or make up the time. Employees who are called in for a medical examination to determine physical fitness for military duty must also use vacation leave, leave without pay, or make up the time. Employees cannot be required to use their accrued leave. Any employee meeting the requirements in (C) and (D) shall be entitled to receive their regular salary or compensation for the first thirty (30) calendar days of any such leave. Pay for such purposes shall not exceed thirty (30) days in any one fiscal year and shall be paid only for the employee's regularly scheduled workdays that fall within the thirty (30) calendar days.
- F. Extension of Benefits. The District recognizes the increased requirements of the military due to the current threats facing the United States of America. Employees who are called to active duty as a result of the activation of military reservists beginning in September 2001, and are eligible to receive the thirty (30) calendar day military leave compensation shall receive the difference between their base District salary and their military salary starting on the 31st calendar day of military leave. The difference in salary shall be provided until June 25, 2004. During this period, the District will continue to provide the employee the benefits and all leave accruals as was provided prior to such active duty. Retirement contributions and credit will be granted if the employee had enough pay to cover the entire contribution. If the employee does not get enough pay to cover the retirement contribution, no contribution or credit will be given. If upon return from leave the employee complies with all requirements of the Board of Retirement, then the employee shall also receive the retirement pick-up allowed by the Compensation Plan. Employees should note that the Accidental Death and Dismemberment (AD&D) plan contains a war exclusion.

If the employee becomes eligible for full District payment for the first 30 days of military leave provided in (E) of this Article, the extended payments provided under this Section shall be suspended and shall be continued after the 30 days compensation has been completed.

After June 25, 2004, no compensation shall be paid beyond the 30-day leave period, unless such compensation is expressly approved by the Board of Supervisors. The District may unilaterally extend the benefits of this subsection upon the approval of the Board of Supervisors.

G. Vacation and Military Leave. Employees shall not be permitted to take vacation or other accrued leave in lieu of the military leave provisions provided in Section (C) of the Article. Employees may elect to use accrued leave time, except sick leave, in lieu of the integrated pay in Section (F) of this Article under the following conditions:

1. The employee must decline in writing the benefits of Section (F) of this Article prior to the due date of the Time and Labor Report (TLR). The employee must include the dates for which he/she is declining the benefit.
2. The employee must use accrued leave time for the entire pay period (i.e., District pay will not be integrated with military pay for partial pay periods).
3. Such written declination cannot be revoked or amended at a later date for a pay period for which the TLR has already been submitted.
4. Benefits, leave accruals, and pay will be administered per normal procedures for vacation pay; no additional benefits otherwise granted under this Article will be available.

Employees may elect to use accrued leave time, except sick leave, once all paid benefits have been exhausted.

Section 11: Political Leave

Any employee who is a declared candidate for public office shall have the right to a leave of absence without pay for a reasonable period to campaign for the election. Such leave is subject to the conditions governing special leaves of absence without pay contained herein.

Section 12: Sick Leave

- A. Definition. Sick Leave with pay is an insurance or protection provided by the District to be granted in circumstances of adversity to promote the health of the individual employee. It is not an earned right to time off from work. Sick leave is defined to mean the authorized absence from duty of an employee because of physical or mental illness, injury, pregnancy, confirmed exposure to a serious contagious disease, for a medical, optical, or dental appointment, or other purpose authorized herein.

1. Immediate Family. Immediate family is defined as parent, child, spouse, or domestic partner as defined by California Family Code Section 297.
2. Extended Family. Extended family is defined as grandchild, grandparent, sibling, parent/sibling-in-law, aunt, uncle, niece, nephew, foster child, ward of the court, or any step relations as defined herein.

- B. Accumulation. Employees in regular positions shall accrue sick leave for each payroll period completed, prorated on the basis of 3.69 hours per pay period. Earned sick leave shall be available for use the first day following the payroll period in which it is earned. Employees in regular positions paid less than eighty (80) hours per pay period or job-shared positions shall receive sick leave accumulation on a pro rata basis. There shall be no limit on sick leave accumulation.

The minimum charge against accumulated sick leave shall be fifteen (15) minutes. Employees in regular positions paid less than eighty (80) hours per pay period or job-shared positions shall receive sick leave accumulation on pro-rata basis; provided, however, that there shall be no proration of the maximum accumulations.

- C. Compensation. Approved sick leave with pay shall be compensated at the employee's base rate of pay. The minimum charge against accumulated sick leave shall be (15) minutes.

- D. Administration

1. Investigation. It shall be the responsibility and duty of each Appointing Authority to investigate each request for sick leave and to allow sick leave with pay where the application is determined to be proper and fitting, subject to approval of the Human Resources Division Manager.
2. Notice of Sickness. In twenty-four (24) hour departments, the Appointing Authority or designee should be notified at least two (2) hours prior to the start of the employee's scheduled tour of duty of a sickness on the first day of absence and must be notified at least one (1) hour prior to the start of the employee's scheduled tour of duty. In other departments, the Appointing Authority or designee must be notified within one-half (1/2) hour after the start of the employee's scheduled tour of duty of a sickness on the first day of absence.

It is the responsibility of the employee to keep the Appointing Authority informed as to continued absence beyond the first day for reasons due to sickness or occupational disability. Failure to make such notification may result in denial of sick leave with pay.

If the employee receives a doctor's off-work order and provides notice of same to the Appointing Authority, the employee is not required to contact the department

daily. If the employee does not have an off-work order or has not notified the Appointing Authority that one has been issued, the employee shall be required to contact the department daily in accordance with the time-frame above.

- E. Review. The Human Resources Division Manager or designee may review and determine the justification of any request for sick leave with pay or without pay and may, in the interest of the District, require a medical report by a doctor to support a claim for sick leave pay.
- F. Proof. A doctor's certificate shall be provided by the employee in all cases of absence due to illness when requested by the Appointing Authority.
- G. Improper Use. Evidence substantiating the use of sick leave for willful injury, gross negligence, intemperance, trivial indisposition, instances of misrepresentation, or violation of the rules defined herein will result in denial of sick leave with pay and shall be construed as grounds for disciplinary action including termination.
- H. Sick Leave for Other than Personal Illness/Injury

- 1. Family Sick Leave. A maximum of one-half (1/2) of the employee's annual accrual of earned sick leave per calendar year may be used for attendance upon the members of the employee's immediate family who require the attention of the employee.

Upon approval of the Appointing Authority, the employee may use part of this annual allowance for attendance upon members of the employee's extended family residing in the employee's household who require the attention of the employee.

- 2. Bereavement. A maximum of three days earned sick leave may be used per occurrence for bereavement due to the death of persons in the immediate or extended family, as defined herein, or any relative who resided with the employee.
- 3. Birth/Adoption. A maximum of forty (40) hours of earned sick leave may be used per occurrence for arrival of an adoptive child at the employee's home. An employee (father) may utilize on an annual basis no more than forty (40) hours of accumulated sick leave per calendar year for the birth of his child.
- 4. Medical, optical or dental appointments. The employee may use sick leave for medical, dental or optical appointments; however, every effort should be made to schedule the appointments at a time of day that will minimize the employee's time off work.

I. Return-to-Work Medical Clearance

Under the following circumstances, all employees who have been off work due to an illness or injury will report to the San Bernardino County Center for Employee Health and Wellness for a medical evaluation of condition and authorization to return to work before returning to work.

- 1. Employees whose treating physician or other qualified medical provider has ordered job modification(s) as a condition for either continuing to work or for returning to

work after an illness or injury. This applies both to occupational and non-occupational illness or injury.

2. Employees who have been off work due to communicable diseases such as, but not limited to, chicken pox and measles.
3. Employees who have been absent on account of serious medical condition, when so directed by Appointing Authority, and with concurrence of the San Bernardino County Center for Employee Health and Wellness.

Employees are required to attend return-to-work medical appointments at the Center for Employee Health and Wellness on their own time; however, mileage for attending such appointments are eligible for reimbursement pursuant to the Expense Reimbursement provision.

It is the responsibility of the employee to obtain written notice from the medical provider of authorization to return to work with or without job modification. To ensure all necessary and relevant medical information is provided, the District shall make available forms to be completed by the medical provider. It is the responsibility of the employee to provide verbal notice to his or her Appointing Authority immediately upon receipt of the medical provider's authorization to return to work, and no later than 24 hours after receipt of the notice. The Appointing Authority or designee will schedule an appropriate medical evaluation for the employee with the Center for Employee Health and Wellness prior to the employee's return to work. The employee shall provide the medical provider's written notice of authorization to return to work to the Center at or prior to the employee's scheduled appointment time.

Exceptions to the above requirements may be made on a case-by-case basis by the Medical Director or designee for the Center for Employee Health and Wellness.

The employee is obligated to attend the appointment as scheduled under the conditions outlined above. If the employee fails to adhere to the procedure, the employee is required to use sick leave or leave without pay for any work hours missed. If required notice has been provided, and there is a delay caused by either the Center or the District that, in turn, results in a delay between the employee's appointment with the Center and the start of his or her scheduled tour of duty on the day that he or she was released to return to work, the District will pay for work hours missed, without charge to the employee's leave balances.

The final decision on the employee's ability to return to work rests with the medical provider at the Center. In the event the employee is not released to return to work by the medical provider at the Center, the employee's status would continue on sick leave or, where there is no balance, leave without pay.

J. Worker's Compensation

Employees shall receive full salary in lieu of Workers' Compensation benefits and paid sick leave for the first forty (40) hours following an occupational injury or illness, if authorized off work by order of an accepted physician under the Workers' Compensation sections of the California Labor Code. Thereafter, accumulated paid leave may be prorated to supplement such temporary disability compensation payments, provided that the total amount shall not exceed the regular gross salary of the employee. Employees eligible for salary continuation pursuant to Labor Code 4850 are not entitled to this paid time.

Employees covered by Section 4850 of the Labor Code who are injured in the line of duty are entitled to full salary in lieu of Workers' Compensation benefits and sick leave for a period not to exceed one (1) year. After the employee has used one (1) full year of such "4850 time", said employee may use accumulated sick leave with pay with the approval of the Appointing Authority to augment temporary disability payments if said employee is still temporarily disabled by order of an accepted physician under the Workers' Compensation sections or until said employee is retired.

- K. Separation. Unused sick leave shall not be payable upon separation of the employee, except as provided in paragraph (L).
- L. Sick Leave Conversion. Employees who hold regular positions in the District service who are currently members of the San Bernardino County Employees' Retirement Association and who retire with a service retirement shall receive compensation in accordance with the RETIREMENT MEDICAL TRUST FUND.

For other employees with ten (10) years of continuous service from date of hire in a regular position, upon death or separation not constituting a service retirement, the employee or the estate of a deceased employee will be paid for unused sick leave balances according to the following formula:

Sick Leave Balance As of Date of Separation	Cash Payment % of Hours of Sick Leave Balance
480 Hours or less	30%
481 to 600 Hours	35%
601 to 720 Hours	40%
721 to 840 Hours	45%
841 to 1000 Hours	50%

Employees who receive a disability retirement due to permanent incapacity to work shall be entitled to one hundred percent (100%) cash payment of any unused sick leave balances, up to a maximum of one thousand (1000) hours, computed at the then-current base hourly rate, if they elect an early retirement in lieu of exhausting such accrued sick leave balances. In no event shall any employee, except those receiving a disability retirement, receive compensation under this section in excess of five hundred (500) hours of pay computed at the then-current base hourly rate of said employee.

Employees who have contributed to a public sector retirement(s) for over ten (10) years and have not withdrawn the contribution from the system(s) may exchange accrued sick leave hours in excess of two hundred (200) hours for vacation time on the following basis.

Sick Leave Balance at Time of Conversion	Sick Leave to Vacation Leave Conversion Ratio
201 to 599 hours	3 sick hours to 1 hour vacation
600 to 799 hours	2.5 sick hours to 1 hour vacation
800 or more hours	2 sick hours to 1 hour vacation

Any such exchange must be made in ten (10) hour increments of accrued sick leave under the procedures established by the Human Resources Division Manager. Employees may elect this exchange once per calendar year.

Section 13: Special Leaves of Absence Without Pay

A. General Provisions

A special leave of absence without pay may be granted to an employee who is:

1. Medically incapacitated to perform the duties of the position.
2. Desires to engage in a relevant course of study which will enhance the employee's value to the District.
3. Takes a leave of absence pursuant to the federal Family Medical Leave Act, the California Family Rights Act, and/or provision under Fair Employment and Housing Act (FEHA) Pregnancy Disability Leave Act.
4. For any reason considered appropriate by the Appointing Authority and the Human Resources Division Manager.

B. Type of Leave of Absences

There are four types of leaves of absences. All requests must be in writing and require the approval of the Appointing Authority or designee and the Human Resources Division Manager or designee. Upon request, the Appointing Authority or designee and the Human Resources Division Manager or designee may grant successive leaves of absence.

1. Leave of absence with right to return. Leaves of absence with right to return may be granted to employees in regular positions for a period not exceeding one (1) year. The employee remains in his/her position.
2. Family Leave. Leaves of absence will be granted in accordance with the federal Family Medical Leave Act (FMLA), the California Family Rights Act (CFRA), and an/or Pregnancy Disability Leave (PDL) provision under the Fair Employment and Housing Act (FEHA). This leave can be concurrent with use of paid leave or leave of absence without pay with right to return.

An employee on an approved leave of absence without pay under this provision will continue to receive the benefits outlined in the Benefit Plan Article of this agreement for a period of six (6) pay periods. Certification from a health care provider is required for all instances of medical leave under this provision. Employees are required to inform supervisors of the need for leave at least 30 days before commencement, where possible.

In instances where the leave is for the birth or placement of a child and both husband and wife are District employees, both employees are limited to a total of 12 weeks between them.

3. Leave of absence without right to return.

- a. Definition. Leaves of absence without right to return may be granted to employees with regular status for a period not exceeding one (1) year. Employees without right to return shall be removed from their position. All leave benefits shall be administered as if the employee has been terminated; retirement contributions shall remain in the system and cannot be requested for distribution until the expiration of the leave. The employee shall be eligible to purchase medical benefits pursuant to federal Consolidated Omnibus Reconciliation Act of 1985 (COBRA).
- b. Benefits upon Rehire. An employee who is reemployed within 90 days after the expiration of the leave of absence without right to return shall retain the following benefits:
- Hire date;
 - The service date for purposes of leave accruals and step advances, except that the service date will be advanced for the period of time the employee is on leave of absence without right to return;
 - Any sick leave accruals that had not been cashed-out will be restored;
 - Credit for years of service toward the seven percent (7%) retirement systems contribution shall be retained, but no credit shall be given during the leave of absence.

To be reemployed and retain the above benefits, the employee must be appointed to a position no later than 90 calendar days after the date of expiration of the leave of absence. The 90 days shall run concurrently with the first 90 days of the three-hundred sixty-five (365) day period provided in the Article on Reemployment.

- c. Rehire Process. An employee may be reemployed in the same District in the classification from which the employee took the leave of absence with the approval of the Appointing Authority and Human Resources Division Manager. Alternatively, the employee must apply through Human Resources by the last day of the leave of absence. The employee will be placed on the eligible list for the classification from which he/she took the leave of absence without examination. Placement on the eligible list will be administered in accordance with the requalification provisions in the Personnel Rules. The employee shall be required to serve a new probationary period. The Human Resources Division Manager or designee has the discretion to waive the requirement to serve a new probationary period.

4. Medical leave of absence

- a. Definition. A medical leave of absence up to one (1) year may be granted to employees with regular status who suffer from a catastrophic illness or serious mental illness. Such leave of absence will be granted only after FMLA, CFRA, and/or PDL have been exhausted. The employee is

responsible for providing documentation from a qualified health practitioner prior to approval. The District retains the right to request medical documentation regarding the employee's continued incapacity to return to work.

The employee will be removed from his/her position so that the District may fill behind the employee. All leave benefits shall be administered as if the employee has been terminated; retirement contributions shall remain in the system and cannot be requested for distribution until the expiration of the leave. The employee shall be eligible to purchase medical benefits pursuant to federal Consolidated Omnibus Reconciliation Act of 1985 (COBRA).

Upon the employee's ability to return to work or the expiration of the leave of absence, whichever comes first, the employee will have the right to return to the classification within the District from which he/she took a leave of absence when a funded vacancy for which the employee meets the qualifications is available. If the employee does not return to work by the expiration date of the leave, or the soonest date after that for which the District has a vacancy, the employee relinquishes the right to return. The employee will serve a new probationary period with no right to return to former classification.

Section 14: Vacation Leave

- A. Definition. Vacation is a right earned as a condition of employment to a leave of absence with pay for the recreation and well being of the employee. If an employee has exhausted sick leave, vacation leave may be used for sick leave purposes upon a special request of the employee and with the approval of the Appointing Authority.
- B. Accumulation. Employees in regular positions shall accrue on a pro-rata basis vacation leave for completed pay periods. Such vacation allowance shall be available for use on the first day following the pay period in which it is earned, provided an employee has 1600 service hours from the employee's service date. Employees in regular positions paid less than eighty (80) hours per pay period or job shared positions shall receive vacation leave accumulation on a pro-rata basis. There shall be no limit on vacation accruals.

Length of Service from Benefit Date	Annual Vacation Allowance
After 1600 and through 8320 service hours	80 Hours
Over 8320 and through 18720 service hours	120 Hours
Over 18720 service hours	160 Hours

C. Administration

1. Vacation periods should be taken annually with the approval of the District Manager at such time as will not impair the work schedule or efficiency of the District but with consideration given to the well-being of the employee.

2. The minimum charge against accumulated vacation leave shall be sixty (60) minutes. Vacation leave shall be compensated at the employee's base rate of pay, except as otherwise provided in this Plan.
 3. When a fixed holiday falls within a vacation period, the holiday time shall not be charged against an employee's earned vacation benefits.
 4. Employees not planning to return to District employment at the expiration of a vacation leave, except those retiring, shall be compensated in a lump sum payment for accrued vacation and shall not be carried on the payroll. Retiring employees may elect to use vacation leave to enhance retirement benefits or be compensated in a lump sum payment for accrued vacation leave.
- D. Prior Service. Employees in regular positions who have been employed by a public jurisdiction in a comparable position or a position which has prepared such employees for an assignment to a position in the Exempt Group may receive credit for such previous experience in the former agency(s) in determining their vacation accrual rate. Such determination as to the comparability of previous experience and amount of credit to be granted rests solely with the Human Resources Division Manager, SDD/County Fire.
- E. An employee may sell back vacation time at the base hourly rate of the employee as hereinafter provided, upon approval of the District Manager. Eligible employees may exercise this option under procedures established by the Human Resources Division Manager, SDD/County Fire. In lieu of cash, the employee may designate that part or all of the value of vacation time to be sold back is allocated to a deferred income plan if such a plan is approved by the District and credit for vacation time is allowed under the plan.
- In order to sell back vacation time prior to termination or retirement, an employee may exercise the following options:
1. Option 1 - Future Accruals. An employee must make an irrevocable election during the month of December, specifying the number of hours to be sold back from the next calendar year's vacation time accrual. Such election must be made in increments of not less than ten (10) hours and may not exceed one hundred sixty (160) hours. Once an election is made, the employee must request that the designated number of hours actually be sold back by pay period 25 of the calendar year in which the election is effective, or the hours will automatically be converted into cash in pay period 26.
 2. Option 2 - Existing Accruals. Existing accruals may be cashed out in whole hour increments with a minimum cash-out of ten (10) hours and will be subject to a ten percent (10%) penalty.

Section 15: Witness Leave

Employees in regular positions shall be entitled to a leave of absence from work when subpoenaed to testify as a witness, such subpoena being properly issued by a court, agency, or commission legally empowered to subpoena witnesses. This benefit shall not apply in any case in which the subpoenaed employee is a party to the action or the subpoena has arisen out of the employee's scope of employment. Witness leave shall not be charged against any accumulated leave balances and shall be compensated at the employee's base hourly rate. This benefit will be paid only if the

employee has demanded witness fees at the time of service of the subpoena, and such fees are turned over to the District.

ARTICLE 7: TUITION REIMBURSEMENT AND MEMBERSHIP DUES

Employees in the Special District Exempt Group may receive reimbursement for tuition costs incurred for job-related education or career development or to receive reimbursement for membership dues in professional organization(s), provided such expenditure enhances furtherance of the District or continuing education goals.

Requests for reimbursement must be approved in advance by the Appointing Authority or designee and shall not be paid in increments of less than ten dollars (\$10.00) per fiscal year.
